| Discussion                   | The MAB discussed the possibility of establishing a sculling program and discussed various ways it could work. |  |

| Conclusion   | The MAB agreed that a separate sculling program was desirable. The MAB thinks it should be an additional, dedicated practice each week and that it participants should pay for it in addition to other program fees.  |              |  |

| Discussion   | LTR will be held once per month for 5 months, April – August, with novice class following each LTR class for 4 weeks. Maggie Davidson is leading LTR and needs volunteers (5 for each Saturday class and 2 for each Sunday class). The dates are as follows: April 16-17 May 14-15 June 11-12 July 9-10 August 6-7 We discussed how the classes should be publicized. Apparently there is already quite a bit of interest, judging by inquiries to the Nashville Rowing website.  The MAB discussed the need for a cox class and agreed to ask Coach Marta to do a class at one of the Harpeth Hall practices |              |  |

| Discussion             | There was a general discussion about the boat reservation system. It was agreed that for now, people should request reservations online to Cory by Friday of the weekend when the reservation is desired. There is a calendar on the website showing which boats are available. In the future, we will work on an automated system, but that is not a priority for now. |                     |          |  |
